## MO-KAN TEAMSTERS HEALTH AND WELFARE FUND

### Summary of Material Modifications

The Trustees are committed to providing comprehensive health benefits for you and your dependents.

Effective as stated below, the Mo-Kan Teamsters Health And Welfare Fund will be amended as follows:

### Inpatient Prior Authorization and Concurrent Review

Prior to January 1, 2024, you did not need to obtain prior authorization for your inpatient hospitalization. Effective January 1, 2024 you will need to obtain prior authorization for all inpatient admissions. In addition, all care will be reviewed concurrently during your inpatient stay.

Your in-network provider should preauthorize your stay. However, if your in-network provider has not preauthorized your stay, you should call 816-395-3989 or toll free at 800-892-6116 to start the process. Providers may fax prior authorization requests to 816-926-4253. Providers may also visit <https://providers.bluekc.com/Authorizations> to download prior authorization forms, to electronically submit and review prior authorization requests, and to access the current address for mail-in prior authorization requests.

If you choose an out-of-network provider and your provider does not preauthorize your stay, it is your responsibility to begin the preauthorization process. You can call 816-395-3989 or toll free at 800-892-6116 to start the process. Providers may fax prior authorization requests to 816-926-4253. Providers may also visit <https://providers.bluekc.com/Authorizations> to download prior authorization forms, to electronically submit and review prior authorization requests, and to access the current address for mail-in prior authorization requests. If your out-of-network stay is not preauthorized, you will be responsible for any extra cost incurred.
